TRADE DOLLAR BUYS PROPERTY

The Trade Dollar Divide Mining company has purchased the Rim Divide group of claims in the north-west section of the Divide district. This company is sponsored by Ogden, Utah operators, among whom is Chas. L. Farr, one of the principal owners of the Lakeview Zinc mine of Promontory Point, Utah, which during 1915 and 1916 produced and paid upwards of half a million dollars in dividends.

This corporation is now investigating one of the oldest and heaviest producers of the early days of Nye county, and if final results are favorably reported upon by Consulting Engineer Holla E. Clapp, the property will be taken over and operations started this fall. Mr. Clapp has examined several properties recently for these Utah people but has not yet found a mine suitable for his clients.

Mr. Farr recently visited the Tonopah and Divide districts and as a result has interested a number of his Utah associates in the Trade Dollar Divide, which not only intends to develop the Divide property, but it is the plan of this company to take over and develop outside properties favorably reported on by the company engineers.

DEATH OF MRS. HAND AT SALT LAKE CITY

Newton Crumley received a telegram this morning announcing the death of Mrs. May Hunt Hand at Salt Lake City last night at 11:30. Death had been expected for several days and her sister, Mrs. Newton Crumley, left last evening with the hope that she would arrive in time before the spirit took its flight. The deceased was born in 1883 in Belmont, where she spent her girlhood. She was a most charming character and beloved by all. A mother and daughter ten years old survive. Three sisters, Mrs. Newton Crumley, Mrs. Joe Barker, of Manhattan and Mrs. Ruth Lawson, of Idaho also mourn her loss. The latter was with Mrs. Hand when the end came. Death was due to a dropsical condition following an attack of influenza. Funeral arrangements have not been announced.
